

MAT381E
Date:20/06/2021

Your Name: Kazım Emre Yüksel
Team: Q.E.D.

Statement of Personal Contribution

For this statement, you are required to list your specific contribution for whole project. You can use sentence or bullet format, as long as it is clear what your individual contribution to the project has been. If you have worked in pairs on an activity (e.g., pair programming, documentation, etc.), denote that you worked in pairs, and then list and describe your specific task in that activity. Also, please estimate the percentage of the work for that activity and/or specific task that you can claim as yours.

Statement of Personal Contribution for Kazım Emre Yüksel

1. Found OECD and Monument Counter datasets & Scrape Monument Counter dataset
2. Obtained more than 10 figures using datasets and prepared their explanations.
3. Contributed to preparing all reports, rmd files, final presentation and helped my teammates for using git

In my opinion, we worked together well and equally in all steps of the project. We discussed every step of the project. We discussed through every step of the project and helped and gave ideas on what each other was doing.
